Subject: RETI EWG Meeting Materials

EWG members:

Attached are two documents for discussion at Wednesday's meeting.

The first is a list of current designations excluding renewable energy and/or transmission development.

The second is a suggested list of additional criteria for exclusionary designations.

Please read the material and bring copies with you to the meeting.

For those of you unable to attend in person, video conference facilities will be available at:

CPUC-LA
320 W. 4th Street, Suite 500
Los Angeles 90013

Energy Commission
1516 Ninth Street
Sacramento 95814

The meeting will be held at:

CPUC-SF
505 Van Ness Avenue
San Francisco 94102

Hope to see you there,

Rich Ferguson
